

ELECTRICAL SAFETY RECALL

Calibre 20 Amp 7 Stage Battery Charger Model SCA20AL Product code 544708

IDENTIFICATION:

The product is a black, metal cased 20A 7 stage battery charger, sold only at Supercheap Auto online and in store.

The affected units can be identified by the brand: **Calibre**, product code **PLU 544708** marked on the front and model no.: **SCA20AL** marked on the bottom of the device. This recall is limited to 5 batches sold from May 2021 to Nov 2022, those being “**N052021, N062021, N082021, N032022** and **N072022**”. The batch number can be found on the rating label located on the underside of the device.

DEFECT:

The protection circuitry of the product is not compliant with Australian standards. This can cause the output connector of the battery charger to become live.

HAZARD:

Risk of electric shock, which can cause serious injury or death.

ACTION REQUIRED:

Consumers should immediately stop using the battery charger and return it to the nearest Supercheap Auto store for a full refund. To find the nearest store, consumers can visit <http://www.supercheapauto.com.au/store-locator>
