

# Product Safety Recall

Location of the serial number on the back of the heater.

AHM Ltd. is undertaking a voluntary recall of Campmaster Butane Heater model CM1950S sold through Supercheap Auto retailers nationally. AGA Certification 7393.

Heaters affected are marked with a serial number ranging from 15000001 to 15001300 only.

**Hazard:** Consumers may be at risk if the instructions and OUTDOOR USE ONLY markings are not adhered to, and the heater is used in a confined space.

**What to do:** Stop using the product immediately and return the heater to Supercheap Auto for a refund. You will need to demonstrate to the service desk that your heater includes the serial number between 15000001 to 15001300 in order to receive the refund. The serial number is located on the back of the heater.

For further information, contact AHM via email at enquiries@ahm.co.nz or by phone on 07 3208 1233.
